

ADAIR COUNTY GRADE 05 REPORT CARD 2019-2020

Student: _____
 School: Adair County Elementary School

ATTENDANCE				
Term	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
Days Present	30	0	0	0
Days Absent	1	0	0	0
Periods Tardy	0	0	0	0

Academic Performance Level for Standards-Based K-5	
Name	Score
Exceeds Standards	4
On Grade Level (I Can Do It)	3
Below Level (Still Learning)	2
Well Below (Extra Help Needed)	1
Blank=Not Assessed	

WORK HABITS/SOCIAL DEVELOPMENT				
	Term			
	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
I can work independently				
I can follow directions				
I can complete assignments on time				
I can pay attention in class				
I am respectful/considerate/courteous to others				
I work/share/play well with others				
I can do my work neatly and have good penmanship				

GRADE 5				
	Term			
	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
ENGLISH LANGUAGE ARTS LANGUAGE CONVENTIONS OF STANDARD ENGLISH				
Use correct punctuation when using terms in a series				

GRADE 5				
	Term			
	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
Use commas to separate the introductory element from the rest of the sentence				
Use commas to set off tag questions and words "yes" and "no" in sentences				
Indicate titles of work through italics, underlining, and quotation marks				
Identify and correct spelling mistakes				
Use prepositions, interjections, and conjunctions correctly				
Use and define conjunctions, interjections, and prepositions				
Use perfect verb tenses				
Use verb tenses for different time periods				
Compose complete sentences and correct verb tense shifts				
Use and define correlative conjunctions				
KNOWLEDGE OF LANGUAGE				
Change sentences for the purpose of meaning and reading style				
Compare and contrast the different representations of English in different text types				
VOCABULARY ACQUISITION AND USE				
Use and define similes and metaphors				
Explain the meaning of and define commonly used idioms, adages, and proverbs				
Define and relate words by using their synonyms and antonyms				
Use context clues to determine the meaning of unknown words and phrases				
Use affixes and root words to determine the meaning of unknown words				
Use different sources to determine the meaning of unknown phrases				

GRADE 5				
	Term			
	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
Use words for transition that show comparison, contrasting, and other relationships				
RESEARCH TO BUILD AND PRESENT KNOWLEDGE				
Summarize information and experiences to identify sources				
WRITING				
RANGE OF WRITING				
Write over long and short periods of time to address certain audiences and tasks				
TEXT TYPES AND PURPOSES				
Conduct research projects and investigate different topics				
Write to inform the audience and share information				
Write narratives to entertain different types of audiences				
State an opinion and write it fluently to address different audiences				
PRODUCTION AND DISTRIBUTION OF WRITING				
Work with peers and teacher to publish writing				
READING				
PHONICS AND FLUENCY				
Use strategies to read and understand longer pieces of text				
Understand words with multiple syllables by learning the meanings of prefixes, suffixes, and root words				
LITERATURE				
Draw inferences using evidence in the text				
Compare and contrast story elements by quoting evidence from the text				
Analyze the text to determine the most important ideas to be included in a summary of the text				
Identify the theme and analyze what evidence in the text supports our thinking				

Parent/Guardian of Derek L. Abbott
 123 Plum Point Rd
 Columbia, KY 42728

GRADE 5				
	Term			
	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
Determine the meanings of a variety of literary devices used in different types of fiction				
Analyze different types of fiction to explain how they are organized				
Determine how events are described based on the author's perspective				
Use text features to help us understand how fiction texts are organized				
Compare and contrast stories using evidence from each story to draw conclusions about the theme				
Apply different comprehension strategies to comprehend and analyze fifth grade texts				
READING INFORMATIONAL				
Draw inferences using evidence in the text				
Use context clues to explain how cause and effect text structure is used in different kinds of text				
Use clues to explain how the problem and solution text structure is used in various types of text				
Use clues to explain how the compare and contrast structure is used in multiple kinds of text				
Use clues to explain how the sequence text structure is used in different kinds of text				
Read and analyze multiple accounts to compare and contrast the perspective of each author				
Compare and contrast the overall structure of the sequence versus chronological order text structures and how they are used in different kinds of text				
Explain what the author's claim is and to quote the author's reasons for that claim from the text				
Determine the meaning of unfamiliar words and phrases to understand the text				

GRADE 5				
	Term			
	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
Identify the central idea and analyze what evidence supports our thinking				
Use text features to help us find information in text				
Tell how events are described based on the author's perspective				
Use information from several texts to decide on the theme or topic				
Apply different comprehension strategies to comprehend and analyze fifth grade texts				
FOUNDATIONAL SKILLS				
Use strategies to read and understand longer pieces of text				
Understand words with multiple syllables by learning the meanings of prefixes, suffixes, and root words				
MATH				
MODULE 1				
Use place value to round decimals to any place				
Recognize the place value of digits in a multi-digit number				
Multiply and divide by powers of 10 using whole-number exponents				
Read, write, and compare decimals				
Add and subtract decimals				
Multiply and divide decimals				
MODULE 2				
Multiply multi-digit whole numbers				
Write, interpret, and evaluate numerical expressions				
Divide four-digit dividends by two-digit divisors				
MODULE 3				
Efficiently add and subtract fractions with unlike denominators				
Efficiently add and subtract mixed numbers				
Solve word problems involving adding and subtracting fractions				
MODULE 4				
Interpret fractions as division				

GRADE 5				
	Term			
	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
Solve word problems involving division of whole numbers that have fraction quotients				
Multiply a fraction by a whole number or fraction				
Find the area of a rectangle with fractional lengths				
Compare the size of a product to its factors				
Solve real world problems involving multiplication of fractions and mixed numbers				
Divide unit fractions by whole numbers				
Divide whole numbers by fractions				
Solve real world problems involving the division of fractions by whole numbers and vice versa				
Convert different sized measurement units				
Identify and gather data based on statistical questions				
MODULE 5				
Recognize volume as an attribute of a solid figure				
Measure volume by counting unit cubes				
Relate volume to multiplication and addition to solve real world problems				
Understand attributes that belong to a two-dimensional figure				
Classify two-dimensional figures in a hierarchy based on properties				
MODULE 6				
Use a pair of perpendicular lines to define a coordinate plane system and plot ordered pairs				
Represent real world problems by graphing points in the quadrant of the coordinate plane				
SOCIAL STUDIES				
COLONIZATION				
Describe how incentives and opportunity costs impacted history				

GRADE 5				
	Term			
	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
Explain how culture, economics, and the physical environment had an impact on the movement of people, ideas and goods				
Describe the various traditions of diverse groups				
Describe how and why cultures diffuse and blend				
Identify the importance of religion in early colonial society				
Compare Kentucky settlers to settlers from other areas in the early years of the United States				
Explain the social and economic impact of the slave trade				
AMERICAN REVOLUTION				
Explain various causes of the American Revolution and the involvement of individuals/groups				
Describe the involvement of Kentucky settlers in the American Revolution				
CONSTITUTION & GOVERNMENT				
Explain how the U.S. government was formed				
Explain the three branches of government				
Describe how the U.S. Constitution gives power to the people				
Show roles and responsibilities of a good citizen as well as the rights of citizens				
Describe the rights of a citizen in a democratic government				
Analyze how the government helps citizens today and in the past				
Describe why taxes are collected and how they are used				
Understand important historical documents				
GEOGRAPHY				
Explain how people interact with their environment to meet their needs				
Use geographic tools to locate places and describe their characteristics				

GRADE 5				
	Term			
	1ST 9 WKS	2ND 9 WKS	3RD 9 WKS	4TH 9 WKS
ECONOMICS				
Understand supply and demand				
Explain a market economy				
Explain how unique economics exchange goods and services help each other				
Explain the importance of early inventions in the United States				
SCIENCE				
PHYSICAL SCIENCE				
Identify properties of matter				
Experiment to see if mixing substances produces new substances				
Prove total weight of matter is conserved regardless of changes				
ENGINEERING, TECHNOLOGY, APPLICATIONS OF SCIENCE				
Generate and compare solutions to a problem				

Parent Signature
