

Edible Bus

You will need:

- Twinkies
- Mini Oreos
- Icing (in a tube works best)
- Andies Candy (optional)

Instructions:

1. Place Twinkie on plate.
2. Use mini-Oreos as tires and put icing on one side of the Oreo to hold the tire in place.
3. Adding windows is optional but delicious. Have a teacher or adult cut the Andies candy into smaller pieces. Put icing on one side of the Andies candy to hold the windows in place.
