Reason for Request

Consent to Screen for Early Enrollment

Because my child will turn five (5) years old between August 2 and October 1 of the current school year, I am requesting early entrance to Kindergarten in Adair County Schools, pursuant to KRS 158.030.

I give permission for an individual screening of my child to determine if my child meets the district's criteria for early admission to kindergarten.

I understand that the screening will be conducted by district staff through the use of the BRIGANCE Early Childhood Screen III.

The Brigance screens cognitive, language, motor, social emotional and self-help skills.

I have been advised and understand the contexts of this consent.
